Entered as second-class matter October 30, 1905 at the post office at Tucumcari, New Mexico under act of Congress of March 3, 1879.

I hereby announce myself a candidate for the office Justice of the Peace for Precinct No. 1, county of Quay, subject to the will of the people of said precinct.

ED. F. SAXON.

The board of county commissioners was organized the first of the week and have been continuously in session ever since. J. M. Hodges of district No. 2, was elected chairman. We believe the judgment of Messrs. Darnell and Batson in this instance is correct, as Mr. Hodges is a man whose business and political training have neither been neglected. He was among the ablest members of the Tennessee legislature before coming to New Mexico. He stands high in the estimation of our people as was evidenced by the fact that he was nominated for this place without his solicitation and did not leave home for campaign purposes after he was nominated. Messrs. Darnell and Batson are as well, good men for the place and with the experience of J. M. Hodges assure us a capable county government.

The election of a justice of the peace and a constable will be up for consideration Monday. Don't pass the matter by as a thing of little consequence. Make the men you desire for these offices feel good by giving them a good vote. The candidates out for these places are worthy men and are entitled to the best vote we can give them. Mr. Saxon and Mr. Ward are the men to whom we refer—we have heard of no other candidates.
